COMPENSATION BENEFITS.

(a) Federal-state Agreements.—Any State which desires to do so may enter into and participate in an agreement under this section with the Secretary of Labor (hereinafter in this section referred to as the “Secretary”). Any State which is a party to an agreement under this section may, upon providing 30 days’ written notice to the Secretary, terminate such agreement.

(b) Provisions of Agreement.—

(1) In general.—Any agreement under this section shall provide the following:

(A) Federal pandemic unemployment compensation.—The State agency of the State will make payments of regular compensation to individuals in amounts and to the extent that they would be determined if the State law of the State were applied, with respect to any week for which the individual is (disregarding this section) otherwise entitled under the State law to receive regular compensation, as if such State law had been modified in a manner such that the amount of regular compensation (i-
including dependents’ allowances) payable for any
week shall be equal to—

(i) the amount determined under the
State law (before the application of this
paragraph), plus

(ii) an additional amount of $600 (in
this section referred to as “Federal Pan-
demic Unemployment Compensation”).

(B) Federal pandemic short-time
compensation.—In the case of a State that
provides under the State law for the payment of
short-time compensation under a short-time
compensation program (as defined in section
3306(v) of the Internal Revenue Code of 1986),
the State agency of the State will make pay-
ments of compensation (as defined in subsection
(h) of such section) to employees participating
in such program in amounts and to the extent
that they would be determined under such pro-
gram if the State law of the State were applied,
with respect to any week for which the indi-
vidual is (disregarding this section) otherwise
eligible under the program under the State law
to receive such compensation, as if such State
law had been modified in a manner such that
the amount of compensation payable for any week shall be equal to the amount determined under the State law (before the application of this paragraph) plus $300 (in this section referred to as “Federal Pandemic Short-Time Compensation”).

(2) ALLOWABLE METHODS OF PAYMENT.—Any Federal Pandemic Unemployment Compensation or Federal Pandemic Short-Time Compensation provided for in accordance with paragraph (1) shall be payable either—

(A) as an amount which is paid at the same time and in the same manner as any compensation otherwise payable for the week involved; or

(B) at the option of the State, by payments which are made separately from, but on the same weekly basis as, any compensation otherwise payable.

(c) NONREDUCTION RULE.—An agreement under this section shall not apply (or shall cease to apply) with respect to a State upon a determination by the Secretary that the method governing the computation of regular compensation under the State law of that State has been modified in a manner such that the maximum benefit enti-
tlement and the average weekly benefit amount of regular compensation (or short-time compensation in the case of a State described in subsection (b)(1)(B)) which will be payable during the period of the agreement (determined disregarding any Federal Pandemic Unemployment Compensation or Federal Pandemic Short-Time Compensation) will be less than the maximum benefit entitlement and the average weekly benefit amount of regular compensation (or short-time compensation) which would otherwise have been payable during such period under the State law, as in effect on January 1, 2020.

(d) PAYMENTS TO STATES.—

(1) IN GENERAL.—

(A) FULL REIMBURSEMENT.—There shall be paid to each State which has entered into an agreement under this section an amount equal to 100 percent of—

(iii) any additional administrative expenses incurred by the State by reason of such agreement (as determined by the Secretary).

(B) Terms of Payments.—Sums payable to any State by reason of such State’s having an agreement under this section shall be payable, either in advance or by way of reimbursement (as determined by the Secretary), in such amounts as the Secretary estimates the State will be entitled to receive under this section for each calendar month, reduced or increased, as the case may be, by any amount by which the Secretary finds that his estimates for any prior calendar month were greater or less than the amounts which should have been paid to the State. Such estimates may be made on the basis of such statistical, sampling, or other method as may be agreed upon by the Secretary and the State agency of the State involved.

(2) Certifications.—The Secretary shall from time to time certify to the Secretary of the Treasury for payment to each State the sums payable to such State under this section.

(A) shall be ineligible for further Federal Pandemic Unemployment Compensation or Federal Pandemic Short-Time Compensation in accordance with the provisions of the applicable State unemployment compensation law relating to fraud in connection with a claim for unemployment compensation; and
(B) shall be subject to prosecution under section 1001 of title 18, United States Code.

(2) REPAYMENT.—In the case of individuals who have received amounts of Federal Pandemic Unemployment Compensation or Federal Pandemic Short-Time Compensation to which they were not entitled, the State shall require such individuals to repay the amounts of such Federal Pandemic Unemployment Compensation or Federal Pandemic Short-Time Compensation to the State agency, except that the State agency may waive such repayment if it determines that—

(A) the payment of such Federal Pandemic Unemployment Compensation or Federal Pandemic Short-Time Compensation was without fault on the part of any such individual; and

(B) such repayment would be contrary to equity and good conscience.

(3) RECOVERY BY STATE AGENCY.—

(A) IN GENERAL.—The State agency may recover the amount to be repaid, or any part thereof, by deductions from any Federal Pandemic Unemployment Compensation or Federal Pandemic Short-Time Compensation payable to such individual or from any unemployment
compensation payable to such individual under any State or Federal unemployment compensation law administered by the State agency or under any other State or Federal law administered by the State agency which provides for the payment of any assistance or allowance with respect to any week of unemployment, during the 3-year period after the date such individuals received the payment of the Federal Pandemic Unemployment Compensation or Federal Pandemic Short-Time Compensation to which they were not entitled, in accordance with the same procedures as apply to the recovery of overpayments of regular unemployment benefits paid by the State.

(B) OPPORTUNITY FOR HEARING.—No repayment shall be required, and no deduction shall be made, until a determination has been made, notice thereof and an opportunity for a fair hearing has been given to the individual, and the determination has become final.

(4) REVIEW.—Any determination by a State agency under this section shall be subject to review in the same manner and to the same extent as determinations under the State unemployment compensa-
tion law, and only in that manner and to that extent.

(g) APPLICATION TO OTHER UNEMPLOYMENT BENEFITS.—

(1) IN GENERAL.—Each agreement under this section shall include provisions to provide that the purposes of the preceding provisions of this section shall be applied with respect to unemployment benefits described in subsection (i)(3) to the same extent and in the same manner as if those benefits were regular compensation.

(2) ELIGIBILITY AND TERMINATION RULES.—
Federal Pandemic Unemployment Compensation—

(A) shall not be payable, pursuant to this subsection, with respect to any unemployment benefits described in subsection (i)(3) for any week beginning on or after the date specified in subsection (e)(1)(B), except in the case of an individual who was eligible to receive Federal Pandemic Unemployment Compensation in connection with any regular compensation or any unemployment benefits described in subsection (i)(3) for any period of unemployment ending before such date; and

SEC. 109. MORTGAGE FORBEARANCE.

(a) FINDINGS.—

(1) FINDINGS.—Congress finds that—

(A) the collection of debts involves the use
of the mails and wires and other instrumental-
ities of interstate commerce;

(B) at times of major disaster or emer-
gency, the income of consumers is often im-
paired and their necessary daily expenses often
increase;
(C) temporary forbearance benefits not only consumer and small business debtors, but also other creditors by avoiding downward collateral price spirals triggered by an increase in foreclosure activity;

(D) without forbearance, many consumers and small businesses are unlikely to be able to pay their obligations according to their original terms and are likely to default on obligations or file for bankruptcy, resulting in reduced recoveries for creditors, and in the case of bankruptcy, no recovery of unaccrued interest;

(E) with forbearance, creditors are likely to realize greater long-term value because consumers and small businesses will be more likely to be able to repay their obligations after the major disaster or emergency has subsided;

(F) the legislative and administrative response to major disasters and emergencies may consist of multiple components divided among different statutes and programs; and

(G) when evaluating whether property has been taken from a person without just compensation, a holistic evaluation of the burdens and benefits of all legislative and administrative
responses, including indirect benefits from macroeconomic stabilization, is appropriate.

(2) FURTHER FINDINGS REGARDING MORTGAGE FORBEARANCE.—Congress further finds that—

(A) ensuring that consumers are able to remain in their residences reduces the disruptions and economic harm caused by such disasters and emergencies by ensuring that consumers are able to continue their existing employment, education, childcare, and healthcare arrangements, which are often geographically-based;

(B) temporary forbearance on residential mortgages is therefore critical to fostering economic recovery and stability in the wake of major disasters or emergencies;

(C) temporary mortgage forbearance during a declared disaster benefits not only mortgagors, but also mortgagees because mortgagors’ ability to pay is likely to be restored after a disaster or emergency subsides, so forbearance may increase mortgagors’ total recovery. Without forbearance, mortgagors are likely to default or file for bankruptcy, resulting in significant losses for mortgagees; and
(D) temporary mortgage forbearance during a declared disaster also benefits the mortgagors of other properties because housing prices are geographically and serially correlated so an increase in foreclosures can drive down the value of collateral for all mortgage lenders, further destabilizing the economy.

(3) FURTHER FINDINGS REGARDING MORTGAGE SERVICERS.—Congress further finds that—

(A) mortgage servicers are often contractually obligated to advance scheduled mortgage payments to securitization investors, irrespective of whether the servicer collects the payment from the mortgagor;

(B) mortgage servicers are often thinly capitalized and with limited capacity for engaging in large scale advancing of payments to securitization investors;

(C) securitization investors have long been aware of servicers’ thin capitalization;

(D) in the wake of the 2008 financial crisis, several servicers had difficulty obtaining sufficiently liquidity to make advances;

(E) mortgage servicing is a heavily regulated industry;
(F) in response to the 2008 financial crisis, Congress created a safe harbor for mortgage servicers that undertook loan modifications;

(G) in response to the 2008 financial crisis, the Home Affordable Modification Program paid mortgage servicers to undertake loan modifications;

(H) as part of the 2012 joint State-Federal National Mortgage Settlement, mortgage servicers committed to undertaking loan modifications; and

(I) investors in mortgage securitizations are or should be aware of servicers’ thin capitalization, liquidity constraints, the extent and history of servicing regulation and therefore do not have a reasonable expectation that the terms of servicing contracts will be enforceable at times of national financial crisis.

(4) DETERMINATION.—It is the sense of the Congress that, on the basis of the findings described under paragraphs (1), (2), and (3), the Congress determines that the provisions of this Act are necessary and proper for the purpose of carrying into execution the powers of the Congress to regulate
commerce among the several States and to establish uniform bankruptcy laws.

(b) Prohibition on Foreclosures and Repossessions During the COVID–19 Emergency.—

SEC. 207. MINORITY DEPOSITORY INSTITUTION.

(a) Sense of Congress on Funding the Loan-Loss Reserve Fund for Small Dollar Loans.—The sense of Congress is the following:

(1) The Community Development Financial Institutions Fund (the “CDFI Fund”) is an agency of the Department of the Treasury, and was established by the Riegle Community Development and Regulatory Improvement Act of 1994. The mission of the CDFI Fund is “to expand economic opportunity for underserved people and communities by supporting the growth and capacity of a national network of community development lenders, investors, and financial service providers”. A community development financial institution (a “CDFI”) is a specialized financial institution serving low-income communities and a Community Development Entity (a “CDE”) is a domestic corporation or partnership that is an intermediary vehicle for the provision of loans, investments, or financial counseling in low-income communities. The CDFI Fund certifies CDFIs and CDEs. Becoming a certified CDFI or CDE al-
allows organizations to participate in various CDFI Fund programs as follows:

(A) The Bank Enterprise Award Program, which provides FDIC-insured depository institutions awards for a demonstrated increase in lending and investments in distressed communities and CDFIs.

(B) The CDFI Program, which provides Financial and Technical Assistance awards to CDFIs to reinvest in the CDFI, and to build the capacity of the CDFI, including financing product development and loan loss reserves.

(C) The Native American CDFI Assistance Program, which provides CDFIs and sponsoring entities Financial and Technical Assistance awards to increase lending and grow the number of CDFIs owned by Native Americans to help build capacity of such CDFIs.

(D) The New Market Tax Credit Program, which provides tax credits for making equity investments in CDEs that stimulate capital investments in low-income communities.

(E) The Capital Magnet Fund, which provides awards to CDFIs and nonprofit affordable housing organizations to finance affordable
housing solutions and related economic development activities.

(F) The Bond Guarantee Program, a source of long-term, patient capital for CDFIs to expand lending and investment capacity for community and economic development purposes.

(2) The Department of the Treasury is authorized to create multi-year grant programs designed to encourage low-to-moderate income individuals to establish accounts at federally insured banks, and to improve low-to-moderate income individuals’ access to such accounts on reasonable terms.

(3) Under this authority, grants to participants in CDFI Fund programs may be used for loan-loss reserves and to establish small-dollar loan programs by subsidizing related losses. These grants also allow for the providing recipients with the financial counseling and education necessary to conduct transactions and manage their accounts. These loans provide low-cost alternatives to payday loans and other nontraditional forms of financing that often impose excessive interest rates and fees on borrowers, and lead millions of Americans to fall into debt traps. Small-dollar loans can only be made pursuant to
terms, conditions, and practices that are reasonable
for the individual consumer obtaining the loan.

(4) Program participation is restricted to eligi-
bble institutions, which are limited to organizations
listed in section 501(c)(3) of the Internal Revenue
Code and exempt from tax under 501(a) of such
Code, federally insured depository institutions, com-
community development financial institutions and State,
local, or Tribal government entities.

(5) Since its founding, the CDFI Fund has
awarded over $3,300,000,000 to CDFIs and CDEs,
allocated $54,000,000,000 in tax credits, and
$1,510,000,000 in bond guarantees. According to
the CDFI Fund, some programs attract as much as
$10 in private capital for every $1 invested by the
CDFI Fund. The Administration and the Congress
should prioritize appropriation of funds for the loan
loss reserve fund and technical assistance programs
administered by the Community Development Finan-
cial Institution Fund, as included in the version of
the “Financial Services and General Government
Appropriations Act, 2020” (H.R. 3351) that passed
the House of Representatives on June, 26, 2019.

SEC. 502. DIVERSE INVESTMENT ADVISERS.

(a) FINDINGS.—The Congress finds the following:

(1) Diverse individual-owned and controlled
firms continue to face obstacles, such as discrimina-
tion and other related barriers, when competing for
investment adviser services opportunities, including
Federal opportunities.
(2) The Government Accountability Office found in September 2017 that asset management firms (also known as firms providing investment adviser services) registered in the United States manage more than $70,000,000,000,000 of assets and that minority- and women-owned asset management firms manage less than 1 percent of such assets.

(3) Conscious efforts to facilitate diverse and inclusive firm selection for investment advisers services opportunities are required to overcome obstacles facing diverse individual-owned and controlled firms, especially as women- and minority-owned businesses across the financial services sector struggle to recover from the impacts of the coronavirus disease (COVID–19) outbreak and future major disasters.

(4) Despite evidence that women and minority-owned firms perform as well as and sometimes outperform their industry counterparts, they are not consistently selected to manage institutional assets. Although women and minority-owned firms account for approximately 8.6 percent of the asset management industry, recent reports show that they only manage 1.1 percent of all assets under management or $785 billion out of $71.4 trillion, and are underrepresented as managers in every asset class.

DIVISION P—FEDERAL EM-

PLOYEE COLLECTIVE BARG-

AINING AND OFFICIAL TIME

SEC. 160001. SHORT TITLE.

This division may be cited as the “Protecting Collect-
ive Bargaining and Official Time for Federal Workers

Act”.

SEC. 160002. FINDINGS.

Congress finds the following:

(1) Federal Unions play a critical role in pro-
tecting the rights of Federal workers by allowing
members to have a collective voice on the job and in
the legislative process, advance issues for working
families, ensure equal opportunities for all workers,
and raise the standards by which all professional
and technical workers are employed.

(2) Collective bargaining is essential to the
union process, because it provides mutual agreement
between all parties that fosters harmonious relation-
ships between the Federal Government and its em-
ployees and protects the interest of both parties.
(3) The current administration has acted through Executive Orders and official memorandums to dismantle Federal Unions and undermine their collective bargaining rights across the Federal workforce and these directives have already negatively impacted labor contracts, both signed and under active negotiation.

(4) These orders set an aggressive schedule for unions to engage in collective bargaining, while also slashing the unions official time for performing union duties by over 91 percent in some cases. These actions are limiting the ability for unions to prepare for negotiations and perform their legally required employee representational duties.

(5) Section 7101(a) of title 5, United States Code, states, “Congress finds that labor organizations and collective bargaining in the civil service are in the public interest.”. Attempting to eliminate the Union by eliminating almost all its official time repudiates the statutory position that unions are in the public interest.

(6) Through these orders, agencies are required to comply with artificial bargaining schedules, which undermine good faith negotiations and divert the decision-making to an impasse panel, which has no
union representation on it and does not represent both parties.

(7) Collectively, the administration’s actions have violated Congressional intent, undermined the ability of unions to engage in collective bargaining, and threatened the rights and benefits of millions of Federal workers.

(a) In General.—Section 1113 of title 11, United States Code, is amended by striking subsections (a) through (f) and inserting the following:

“(a) The debtor in possession, or the trustee if one has been appointed under this chapter, other than a trustee in a case covered by subchapter IV of this chapter and by title I of the Railway Labor Act (45 U.S.C. 151 et seq.), may reject a collective bargaining agreement only in accordance with this section. In this section, a reference to the trustee includes the debtor in possession.

“(b) No provision of this title shall be construed to permit the trustee to unilaterally terminate or alter any provision of a collective bargaining agreement before complying with this section. The trustee shall timely pay all monetary obligations arising under the terms of the collec-
tive bargaining agreement. Any such payment required to be made before a plan confirmed under section 1129 is effective has the status of an allowed administrative expense under section 503.

“(c)(1) If the trustee seeks modification of a collective bargaining agreement, the trustee shall provide notice to the labor organization representing the employees covered by the collective bargaining agreement that modifications are being proposed under this section, and shall promptly provide an initial proposal for modifications to the collective bargaining agreement. Thereafter, the trustee shall confer in good faith with the labor organization, at reasonable times and for a reasonable period in light of the complexity of the case, in attempting to reach mutually acceptable modifications of the collective bargaining agreement.

“(2) The initial proposal and subsequent proposals by the trustee for modification of a collective bargaining agreement shall be based upon a business plan for the reorganization of the debtor, and shall reflect the most complete and reliable information available. The trustee shall provide to the labor organization all information that is relevant for negotiations. The court may enter a protective order to prevent the disclosure of information if disclosure...
could compromise the position of the debtor with respect to the competitors in the industry of the debtor, subject to the needs of the labor organization to evaluate the proposals of the trustee and any application for rejection of the collective bargaining agreement or for interim relief pursuant to this section.

“(3) In consideration of Federal policy encouraging the practice and process of collective bargaining and in recognition of the bargained-for expectations of the employees covered by the collective bargaining agreement, modifications proposed by the trustee—

“(A) shall be proposed only as part of a program of workforce and nonworkforce cost savings devised for the reorganization of the debtor, including savings in management personnel costs;

“(B) shall be limited to modifications designed to achieve a specified aggregate financial contribution for the employees covered by the collective bargaining agreement (taking into consideration any labor cost savings negotiated within the 12-month period before the filing of the petition), and shall be not more than the
minimum savings essential to permit the debtor
to exit bankruptcy, such that confirmation of a
plan of reorganization is not likely to be fol-
lowed by the liquidation, or the need for further
financial reorganization, of the debtor (or any
successor to the debtor) in the short term; and

“(C) shall not be disproportionate or overly
burden the employees covered by the collective
bargaining agreement, either in the amount of
the cost savings sought from such employees or
the nature of the modifications.

“(d)(1) If, after a period of negotiations, the trustee
and the labor organization have not reached an agreement
over mutually satisfactory modifications, and further ne-
gotiations are not likely to produce mutually satisfactory
modifications, the trustee may file a motion seeking rejec-
tion of the collective bargaining agreement after notice
and a hearing. Absent agreement of the parties, no such
hearing shall be held before the expiration of the 21-day
period beginning on the date on which notice of the hear-
ing is provided to the labor organization representing the
employees covered by the collective bargaining agreement.
Only the debtor and the labor organization may appear
and be heard at such hearing. An application for rejection
shall seek rejection effective upon the entry of an order granting the relief.

“(2) In consideration of Federal policy encouraging the practice and process of collective bargaining and in recognition of the bargained-for expectations of the employees covered by the collective bargaining agreement, the court may grant a motion seeking rejection of a collective bargaining agreement only if, based on clear and convincing evidence—

“(A) the court finds that the trustee has complied with the requirements of subsection (c);

“(B) the court has considered alternative proposals by the labor organization and has concluded that such proposals do not meet the requirements of subsection (c)(3)(B);

“(C) the court finds that further negotiations regarding the proposal of the trustee or an alternative proposal by the labor organization are not likely to produce an agreement;

“(D) the court finds that implementation of the proposal of the trustee shall not—

“(i) cause a material diminution in the purchasing power of the employees cov-
(ii) adversely affect the ability of the debtor to retain an experienced and qualified workforce; or

(iii) impair the labor relations of the debtor such that the ability to achieve a feasible reorganization would be compromised; and

(E) the court concludes that rejection of the collective bargaining agreement and immediate implementation of the proposal of the trustee is essential to permit the debtor to exit bankruptcy, such that confirmation of a plan of reorganization is not likely to be followed by liquidation, or the need for further financial reorganization, of the debtor (or any successor to the debtor) in the short term.

(3) If the trustee has implemented a program of incentive pay, bonuses, or other financial returns for insiders, senior executive officers, or the twenty next most highly compensated employees or consultants providing services to the debtor during the bankruptcy, or such a program was implemented within 180 days before the date of the filing of the
petition, the court shall presume that the trustee has failed to satisfy the requirements of subsection (c)(3)(C).

“(4) In no case shall the court enter an order rejecting a collective bargaining agreement that would result in modifications to a level lower than the level proposed by the trustee in the proposal found by the court to have complied with the requirements of this section.

“(5) At any time after the date on which an order rejecting a collective bargaining agreement is entered, or in the case of a collective bargaining agreement entered into between the trustee and the labor organization providing mutually satisfactory modifications, at any time after that collective bargaining agreement has been entered into, the labor organization may apply to the court for an order seeking an increase in the level of wages or benefits, or relief from working conditions, based upon changed circumstances. The court shall grant the request only if the increase or other relief is not inconsistent with the standard set forth in paragraph (2)(E).

“(e) During a period during which a collective bargaining agreement at issue under this section continues
in effect and a motion for rejection of the collective bar-
gaining agreement has been filed, if essential to the con-
tinuation of the business of the debtor or in order to avoid
irreparable damage to the estate, the court, after notice
and a hearing, may authorize the trustee to implement
interim changes in the terms, conditions, wages, benefits,
or work rules provided by the collective bargaining agree-
ment. Any hearing under this subsection shall be sched-
uled in accordance with the needs of the trustee. The im-
plementation of such interim changes shall not render the
application for rejection moot and may be authorized for
not more than 14 days in total.

“(f)(1) Rejection of a collective bargaining agreement
constitutes a breach of the collective bargaining agree-
ment, and shall be effective no earlier than the entry of
an order granting such relief.

“(2) Notwithstanding paragraph (1), solely for
purposes of determining and allowing a claim arising
from the rejection of a collective bargaining agree-
ment, rejection shall be treated as rejection of an ex-
cecutory contract under section 365(g) and shall be
allowed or disallowed in accordance with section
502(g)(1). No claim for rejection damages shall be
limited by section 502(b)(7). Economic self-help by
a labor organization shall be permitted upon a court
order granting a motion to reject a collective bargaining agreement under subsection (d) or pursuant to subsection (e), and no provision of this title or of any other provision of Federal or State law may be construed to the contrary.

“(g) The trustee shall provide for the reasonable fees and costs incurred by a labor organization under this section, upon request and after notice and a hearing.

“(h) A collective bargaining agreement that is assumed shall be assumed in accordance with section 365.”.

(b) **Prohibition on Modification of Retiree Benefits.**—Section 1114 of title 11, United States Code, is further amended by adding at the end the following:

“(n) Notwithstanding any other provision in this title, the trustee may not modify retiree benefits if the debtor is an air carrier, as such term is defined in section 40102 of title 49, United States Code, or an affiliate of such air carrier, that received assistance under the Emergency Pension Plan Relief Act of 2020.”.

(B) Treatment of plan distributions.—If a distribution to an individual would (without regard to subparagraph (A)) be a coronavirus-related distribution, a plan shall not
be treated as violating any requirement of the Internal Revenue Code of 1986 merely because the plan treats such distribution as a coronavirus-related distribution, unless the aggregate amount of such distributions from all plans maintained by the employer (and any member of any controlled group which includes the employer) to such individual exceeds $100,000.

“(A) which is in critical and declining status
(within the meaning of section 305(b)(6)) as of the
date of the enactment of this subsection or during
the 2-year period beginning on such date, or with re-
spect to which a suspension of benefits has been ap-
proved under section 305(e)(9) as of such date;

“(B) which, as of such date of enactment or
during such period, is in critical status (within the
meaning of section 305(b)(2)), has a modified fund-
ed percentage of less than 40 percent (as defined in
section 504(a)(1) of the Rehabilitation for Multiem-
ployer Pensions Act of 2020), and has a ratio of ac-

and which is applying for a loan under section 504(a) of
the Rehabilitation for Multiemployer Pensions Act of 2020
may also apply to the corporation for financial assistance
under this subsection, by jointly submitting such applica-
tions in accordance with section 4(d)(2) of such Act. The
application for financial assistance under this subsection shall demonstrate, based on projections by the plan actuary, that after the receipt of the anticipated loan amount under section 4(a) of such Act, the plan will still become (or remain) insolvent within the 30-year period beginning on the date of the loan.

“(2) In reviewing an application under paragraph (1), the corporation shall review the determinations and demonstrations submitted with the loan application under section 504(c) of the Rehabilitation for Multiemployer Pensions Act of 2020 and provide guidance regarding such determinations and demonstrations prior to approving any application for financial assistance under this subsection. The corporation may deny any application if any such determinations or demonstrations (or any underlying assumptions) are clearly erroneous, or inconsistent with rules issued by the corporation, and the plan and the corporation are unable to reach agreement on such determinations or demonstrations. The corporation shall prescribe any such rules or guidance not later than August 31, 2020.

“(3) In the case of a plan described in paragraph (1)(A) or (1)(B), the total financial assistance provided under this subsection shall be an amount equal to the smallest portion of the loan amount with respect to the
plan under paragraph (1)(A) or (1)(B)(ii) of section 504(d) of the Rehabilitation for Multiemployer Pensions Act of 2020 (determined without regard to paragraph (2) thereof) that, if provided as financial assistance under this subsection instead of a loan, would allow the plan to avoid the projected insolvency.

"(4) In the case of a plan described in paragraph (1)(C), the financial assistance provided pursuant to such application under this subsection shall be the present value of the amount (determined by the plan actuary and submitted on the application) that, if such amount were paid by the corporation in combination with the loan and any other assistance being provided to the plan by the corporation at the time of the application, would enable the plan to emerge from insolvency and avoid any other insolvency projected under paragraph (1).

"(5)(A)(i) Except as provided in subparagraph (B), if the corporation determines at the time of approval, or at the beginning of any plan year beginning thereafter, that the plan’s 5-year expenditure projection (determined without regard to loan payments described in clause (iii)(III)) exceeds the fair market value of the plan’s assets, the corporation shall (subject to the total amount of financial assistance approved under this subsection) provide such assistance in an amount equal to the lesser of—
“(I) the amount by which the plan’s 5-year expenditure projection exceeds such fair market value; or

“(II) the plan’s expected expenditures for the plan year.

“(ii) For purposes of this subparagraph, the term ‘5-year expenditure projection’ means, with respect to any plan for a plan year, an amount equal to 500 percent of the plan’s expected expenditures for the plan year.

“(iii) For purposes of this subparagraph, the term ‘expected expenditures’ means, with respect to any plan for a plan year, an amount equal to the sum of—

“(I) expected benefit payments for the plan year;

“(II) expected administrative expense payments for the plan year; plus

“(III) payments on the loan scheduled during the plan year pursuant to the terms of the loan under section 504(b) of the Rehabilitation for Multi-employer Pensions Act of 2020.

“(iv) For purposes of this subparagraph, in the case of any plan year during which a plan is approved for a loan under section 4 of such Act, but has not yet received the proceeds, such proceeds shall be included in determining the fair market value of the plan’s assets for the
plan year. The preceding sentence shall not apply in the
case of any plan that for the plan year beginning in 2015
was certified pursuant to section 305(b)(3) as being in
critical and declining status, and had more than 300,000
participants.

“(B) The financial assistance under this subsection
shall be provided in a lump sum if the plan sponsor dem-
onstrates in the application, and the corporation deter-
mines, that such a lump sum payment is necessary for
the plan to avoid the insolvency to which the application
relates. In the case of a plan described in paragraph
(1)(C), such lump sum shall be provided not later than

“(6) Subsections (b) and (e) shall apply to financial
assistance under this subsection as if it were provided
under subsection (a), except that the terms for repayment
under subsection (b)(2) shall not require the financial as-
stance to be repaid before the date on which the loan
under section 504(a) of the Rehabilitation for Multiem-
ployer Pensions Act of 2020 is repaid in full.

“(7) The corporation may forgo repayment of the fi-
nancial assistance provided under this subsection if nec-
essary to avoid any suspension of the accrued benefits of
participants.”.

(29 U.S.C. 1431(d)) (as added by this section) (including
necessary administrative and operating expenses relating
to such assistance).

(1) in subsection (f)—

(A) in paragraph (1), by striking “as specified in the provision of State or local law adopting the fee or charge” and inserting “consistent with the purposes and functions designated in the final rules issued under paragraph (3) as purposes and functions for which the obligation or expenditure of such a fee or charge is acceptable”;

such fees or charges are specified” and inserting “any purpose or function other than the purposes and functions designated in the final rules issued under paragraph (3) as purposes and functions for which the obligation or expenditure of any such fees or charges is acceptable”; and

(C) by adding at the end the following:

“(3) ACCEPTABLE OBLIGATIONS OR EXPENDITURES.—

“(A) RULES REQUIRED.—In order to prevent diversion of 9–1–1 fees or charges, the Commission shall, not later than 180 days after the date of the enactment of this paragraph, issue final rules designating purposes and functions for which the obligation or expenditure of 9–1–1 fees or charges, by any State or taxing jurisdiction authorized to impose such a fee or charge, is acceptable.

of public safety answering points within such State or taxing jurisdiction. In designating such purposes and functions, the Commission shall consider the purposes and functions that States and taxing jurisdictions specify as the intended purposes and functions for the 9–1–1 fees or charges of such States and taxing jurisdictions, and determine whether such purposes and functions directly support providing 9–1–1 services.

If the Commission finds that the State or taxing jurisdiction has provided sufficient documentation to make the demonstration described in subparagraph (B), the Commission shall grant such petition.

“(B) DEMONSTRATION DESCRIBED.—The demonstration described in this subparagraph is a demonstration that the purpose or function—

(c) Interagency Strike Force to End 9–1–1 Fee or Charge Diversion.—
(1) ESTABLISHMENT.—Not later than 180 days after the date of the enactment of this Act, the Commission shall establish an interagency strike force to study how the Federal Government can most expeditiously end diversion by a State or taxing jurisdiction of 9–1–1 fees or charges. Such interagency strike force shall be known as the “Ending 9–1–1 Fee Diversion Now Strike Force” (in this section referred to as the “Strike Force”).

(2) DUTIES.—In carrying out the study under paragraph (1), the Strike Force shall—

(A) any recommendations regarding how to
most expeditiously end the diversion by a State
or taxing jurisdiction of 9–1–1 fees or charges,
including actions that can be taken by Federal
departments and agencies and appropriate
changes to law or regulations; and

(B) a description of what progress, if any,
relevant Federal departments and agencies have
made in implementing the recommendations
under subparagraph (A).

(d) FAILURE TO COMPLY.—Notwithstanding any
other provision of law, any State or taxing jurisdiction
identified by the Commission in the report required under
section 6(f)(2) of the Wireless Communications and Public
Safety Act of 1999 (47 U.S.C. 615a–1(f)(2)) as engaging
in diversion of 9–1–1 fees or charges shall be ineligible
to participate or send a representative to serve on any
committee, panel, or council established under section
6205(a) of the Middle Class Tax Relief and Job Creation
Act of 2012 (47 U.S.C. 1425(a)) or any advisory com-
mittee established by the Commission.

SEC. 505. DEFINITIONS.

In this title:

(1) 9–1–1 FEE OR CHARGE.—The term “9–1–1 fee or charge” has the meaning given such term in subparagraph (D) of paragraph (3) of section 6(f) of the Wireless Communications and Public Safety Act of 1999, as added by this title.

(2) 9–1–1 SERVICES.—The term “9–1–1 services” has the meaning given such term in section 158(e) of the National Telecommunications and Information Administration Organization Act (47 U.S.C. 942(e)).

(3) COMMISSION.—The term “Commission” means the Federal Communications Commission.

(4) DIVERSION.—The term “diversion” means, with respect to a 9–1–1 fee or charge, the obligation or expenditure of such fee or charge for a purpose or function other than the purposes and functions designated in the final rules issued under paragraph (3) of section 6(f) of the Wireless Communications and Public Safety Act of 1999, as added by this
title, as purposes and functions for which the obligation or expenditure of such a fee or charge is acceptable.

(5) **STATE OR TAXING JURISDICTION.**—The term “State or taxing jurisdiction” has the meaning given such term in subparagraph (D) of paragraph (3) of section 6(f) of the Wireless Communications and Public Safety Act of 1999, as added by this title.

**DIVISION V—GROW ACT**

**SEC. 101. SHORT TITLE.**

This division may be cited as the “Giving Retirement Options to Workers Act of 2020” or the “GROW Act”.

**SEC. 102. COMPOSITE PLANS.**

(a) **Amendment to the Employee Retirement Income Security Act of 1974.**—

(1) **IN GENERAL.**—Title I of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1001 et seq.) is amended by adding at the end the following:

“**PART 8—COMPOSITE PLANS AND LEGACY PLANS**

**SEC. 801. COMPOSITE PLAN DEFINED.**

“(a) **IN GENERAL.**—For purposes of this Act, the term ‘composite plan’ means a pension plan—
“(1) which is a multiemployer plan that is neither a defined benefit plan nor a defined contribution plan;

“(2) the terms of which provide that the plan is a composite plan for purposes of this title with respect to which not more than one multiemployer defined benefit plan is treated as a legacy plan within the meaning of section 805, unless there is more than one legacy plan following a merger of composite plans under section 806;

“(3) which provides systematically for the payment of benefits—

“(A) objectively calculated pursuant to a formula enumerated in the plan document with respect to plan participants after retirement, for life; and

“(B) in the form of life annuities, except for benefits which under section 203(e) may be immediately distributed without the consent of the participant;

“(4) for which the plan contributions for the first plan year are at least 120 percent of the normal cost for the plan year;

“(5) which requires—
“(A) an annual valuation of the liability of
the plan as of a date within the plan year to
which the valuation refers or within one month
prior to the beginning of such year;

“(B) an annual actuarial determination of
the plan’s current funded ratio and projected
funded ratio under section 802(a);

“(C) corrective action through a realignment
program pursuant to section 803 whenever the plan’s projected funded ratio is below
120 percent for the plan year; and

“(D) an annual notification to each participant describing the participant’s benefits under
the plan and explaining that such benefits may be subject to reduction under a realignment
program pursuant to section 803 based on the plan’s funded status in future plan years; and

“(6) the board of trustees of which includes at
least one retiree or beneficiary in pay status during
each plan year following the first plan year in which
at least 5 percent of the participants in the plan are
retirees or beneficiaries in pay status.

“(b) TRANSITION FROM A MULTIEmployER De-
FINED BENEFIT PLAN.—
(1) IN GENERAL.—The plan sponsor of a defined benefit plan that is a multiemployer plan may, subject to paragraph (2), amend the plan to incorporate the features of a composite plan as a component of the multiemployer plan separate from the defined benefit plan component, except in the case of a defined benefit plan for which the plan actuary has certified under section 305(b)(3) that the plan is or will be in critical status for the plan year in which such amendment would become effective or for any of the succeeding 5 plan years.

(2) REQUIREMENTS.—Any amendment pursuant to paragraph (1) to incorporate the features of a composite plan as a component of a multiemployer plan shall—

(A) apply with respect to all collective bargaining agreements providing for contributions to the multiemployer plan on or after the effective date of the amendment;

(B) apply with respect to all participants in the multiemployer plan for whom contributions are made to the multiemployer plan on or after the effective date of the amendment;

(C) specify that the effective date of the amendment is—
“(i) the first day of a specified plan year following the date of the adoption of the amendment, except that the plan sponsor may alternatively provide for a separate effective date with respect to each collective bargaining agreement under which contributions to the multiemployer plan are required, which shall occur on the first day of the first plan year beginning after the termination, or if earlier, the re-opening, of each such agreement, or such earlier date as the parties to the agreement and the plan sponsor of the multiemployer plan shall agree to; and

“(ii) not later than the first day of the fifth plan year beginning on or after the date of the adoption of the amendment;

“(D) specify that, as of the amendment’s effective date, no further benefits shall accrue under the defined benefit component of the multiemployer plan; and

“(E) specify that, as of the amendment’s effective date, the plan sponsor of the multiemployer plan shall be the plan sponsor of both
the composite plan component and the defined
benefit plan component of the plan.

“(3) SPECIAL RULES.—If a multiemployer plan
is amended pursuant to paragraph (1)—

“(A) the requirements of this title and title
IV shall be applied to the composite plan com-
ponent and the defined benefit plan component
of the multiemployer plan as if each such com-
ponent were maintained as a separate plan; and

“(B) the assets of the composite plan com-
ponent and the defined benefit plan component
of the plan shall be held in a single trust form-
ing part of the plan under which the trust in-
strument expressly provides—

“(i) for separate accounts (and appro-
priate records) to be maintained to reflect
the interest which each of the plan compo-
nents has in the trust, including separate
accounting for additions to the trust for
the benefit of each plan component, dis-
bursements made from each plan compo-
nent’s account in the trust, investment ex-
perience of the trust allocable to that ac-
count, and administrative expenses (wheth-
er direct expenses or shared expenses allo-
cated proportionally), and permits, but
does not require, the pooling of some or all
of the assets of the two plan components
for investment purposes; and

“(ii) that the assets of each of the two
plan components shall be held, invested,
reinvested, managed, administered and dis-
tributed for the exclusive benefit of the
participants and beneficiaries of each such
plan component, and in no event shall the
assets of one of the plan components be
available to pay benefits due under the
other plan component.

“(4) NOT A TERMINATION EVENT.—Notwith-
standing section 4041A, an amendment pursuant to
paragraph (1) to incorporate the features of a com-
posite plan as a component of a multiemployer plan
does not constitute termination of the multiemployer
plan.

“(5) NOTICE TO THE SECRETARY.—

“(A) NOTICE.—The plan sponsor of a
composite plan shall provide notice to the Sec-
retary of the intent to establish the composite
plan (or, in the case of a composite plan incor-
porated as a component of a multiemployer
plan as described in paragraph (1), the intent
to amend the multiemployer plan to incorporate
such composite plan) at least 30 days prior to
the effective date of such establishment or
amendment.

“(B) CERTIFICATION.—In the case of a
composite plan incorporated as a component of
a multiemployer plan as described in paragraph
(1), such notice shall include a certification by
the plan actuary under section 305(b)(3) that
the effective date of the amendment occurs in
a plan year for which the multiemployer plan is
not in critical status for that plan year and any
of the succeeding 5 plan years.

“(6) REFERENCES TO COMPOSITE PLAN COM-
ponent.—As used in this part, the term ‘composite
plan’ includes a composite plan component added to
a defined benefit plan pursuant to paragraph (1).

“(7) RULE OF CONSTRUCTION.—Paragraph
(2)(A) shall not be construed as preventing the plan
sponsor of a multiemployer plan from adopting an
amendment pursuant to paragraph (1) because some
collective bargaining agreements are amended to
cease any covered employer’s obligation to contribute
to the multiemployer plan before or after the plan
amendment is effective. Paragraph (2)(B) shall not be construed as preventing the plan sponsor of a multiemployer plan from adopting an amendment pursuant to paragraph (1) because some participants cease to have contributions made to the multiemployer plan on their behalf before or after the plan amendment is effective.

“(c) COORDINATION WITH FUNDING RULES.—Except as otherwise provided in this title, sections 302, 304, and 305 shall not apply to a composite plan.

“(d) TREATMENT OF A COMPOSITE PLAN.—For purposes of this Act (other than sections 302 and 4245), a composite plan shall be treated as if it were a defined benefit plan unless a different treatment is provided for under applicable law.

“SEC. 802. FUNDED RATIOS; ACTUARIAL ASSUMPTIONS.

“(a) CERTIFICATION OF FUNDED RATIOS.—

“(1) IN GENERAL.—Not later than the one-hundred twentieth day of each plan year of a composite plan, the plan actuary of the composite plan shall certify to the Secretary, the Secretary of the Treasury, and the plan sponsor the plan’s current funded ratio and projected funded ratio for the plan year.
“(2) DETERMINATION OF CURRENT FUNDED RATIO AND PROJECTED FUNDED RATIO.—For purposes of this section:

“(A) CURRENT FUNDED RATIO.—The current funded ratio is the ratio (expressed as a percentage) of—

“(i) the value of the plan’s assets as of the first day of the plan year; to

“(ii) the plan actuary’s best estimate of the present value of the plan liabilities as of the first day of the plan year.

“(B) PROJECTED FUNDED RATIO.—The projected funded ratio is the current funded ratio projected to the first day of the fifteenth plan year following the plan year for which the determination is being made.

“(3) CONSIDERATION OF CONTRIBUTION RATE INCREASES.—For purposes of projections under this subsection, the plan sponsor may anticipate contribution rate increases beyond the term of the current collective bargaining agreement and any agreed-to supplements, up to a maximum of 2.5 percent per year, compounded annually, unless it would be unreasonable under the circumstances to assume that contributions would increase by that amount.
“(b) ACTUARIAL ASSUMPTIONS AND METHODS.—

For purposes of this part:

“(1) IN GENERAL.—All costs, liabilities, rates of interest and other factors under the plan shall be determined for a plan year on the basis of actuarial assumptions and methods—

“(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations);

“(B) which, in combination, offer the actuary’s best estimate of anticipated experience under the plan; and

“(C) with respect to which any change from the actuarial assumptions and methods used in the previous plan year shall be certified by the plan actuary and the actuarial rationale for such change provided in the annual report required by section 103.

“(2) FAIR MARKET VALUE OF ASSETS.—The value of the plan’s assets shall be taken into account on the basis of their fair market value.

“(3) DETERMINATION OF NORMAL COST AND PLAN LIABILITIES.—A plan’s normal cost and liabilities shall be based on the most recent actuarial
valuation required under section 801(a)(5)(A) and the unit credit funding method.

“(4) **Time When Certain Contributions Deemed Made.**—Any contributions for a plan year made by an employer after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this paragraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary of the Treasury.

“(5) **Additional Actuarial Assumptions.**—Except where otherwise provided in this part, the provisions of section 305(b)(3)(B) shall apply to any determination or projection under this part.

**SEC. 803. REALIGNMENT PROGRAM.**

“(a) **Realignment Program.**—

“(1) **Adoption.**—In any case in which the plan actuary certifies under section 802(a) that the plan’s projected funded ratio is below 120 percent for the plan year, the plan sponsor shall adopt a realignment program under paragraph (2) not later than 210 days after the due date of the certification required under such section 802(a). The plan sponsor shall adopt an updated realignment program for
each succeeding plan year for which a certification
described in the preceding sentence is made.

“(2) CONTENT OF REALIGNMENT PROGRAM.—

“(A) IN GENERAL.—A realignment pro-
gram adopted under this paragraph is a written
program which consists of all reasonable meas-
ures, including options or a range of options to
be undertaken by the plan sponsor or proposed
to the bargaining parties, formulated, based on
reasonably anticipated experience and reason-
able actuarial assumptions, to enable the plan
to achieve a projected funded ratio of at least
120 percent for the following plan year.

“(B) INITIAL PROGRAM ELEMENTS.—Rea-
sonable measures under a realignment program
described in subparagraph (A) may include any
of the following:

“(i) Proposed contribution increases.

“(ii) A reduction in the rate of future
benefit accruals, so long as the resulting
rate is not less than 1 percent of the con-
tributions on which benefits are based as
of the start of the plan year (or the equiva-
 lent standard accrual rate as described in
section 305(e)(6)).
“(iii) A modification or elimination of adjustable benefits of participants that are not in pay status before the date of the notice required under subsection (b)(1).

“(iv) Any other lawfully available measures not specifically described in this subparagraph or subparagraph (C) or (D) that the plan sponsor determines are reasonable.

“(C) ADDITIONAL PROGRAM ELEMENTS.— If the plan sponsor has determined that all reasonable measures available under subparagraph (B) will not enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year, such reasonable measures may also include—

“(i) a reduction of accrued benefits that are not in pay status by the date of the notice required under subsection (b)(1); or

“(ii) a reduction of any benefits of participants that are in pay status before the date of the notice required under subsection (b)(1) other than core benefits as defined in paragraph (4).
“(D) ADDITIONAL REDUCTIONS.—In the case of a composite plan for which the plan sponsor has determined that all reasonable measures available under subparagraphs (B) and (C) will not enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year, such reasonable measures may also include—

“(i) a further reduction in the rate of future benefit accruals without regard to the limitation applicable under subparagraph (B)(ii); or

“(ii) a reduction of core benefits; provided that such reductions shall be equitably distributed across the participant and beneficiary population, taking into account factors, with respect to participants and beneficiaries and their benefits, that may include one or more of the factors listed in subclauses (I) through (X) of section 305(e)(9)(D)(vi), to the extent necessary to enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year, or at the election of the plan sponsor, a projected funded ratio of at least 100 percent for the following plan year.
and a current funded ratio of at least 90 percent.

“(3) ADJUSTABLE BENEFIT DEFINED.—For purposes of this part, the term ‘adjustable benefit’ means—

“(A) benefits, rights, and features under the plan, including post-retirement death benefits, 60-month guarantees, disability benefits not yet in pay status, and similar benefits;

“(B) any early retirement benefit or retirement-type subsidy (within the meaning of section 204(g)(2)(A)) and any benefit payment option (other than the qualified joint and survivor annuity); and

“(C) benefit increases that were adopted (or, if later, took effect) less than 60 months before the first day such realignment program took effect.

“(4) CORE BENEFIT DEFINED.—For purposes of this part, the term ‘core benefit’ means a participant’s accrued benefit payable in the normal form of an annuity commencing at normal retirement age, determined without regard to—

“(A) any early retirement benefits, retirement-type subsidies, or other benefits, rights, or
features that may be associated with that benefit; and

“(B) any cost-of-living adjustments or benefit increases effective after the date of retirement.

“(5) Coordination with contribution increases.—

“(A) In general.—A realignment program may provide that some or all of the benefit modifications described in the program will only take effect if the bargaining parties fail to agree to specified levels of increases in contributions to the plan, effective as of specified dates.

“(B) Independent benefit modifications.—If a realignment program adopts any changes to the benefit formula that are independent of potential contribution increases, such changes shall take effect not later than 180 days after the first day of the first plan year that begins following the adoption of the realignment program.

“(C) Conditional benefit modifications.—If a realignment program adopts any changes to the benefit formula that take effect only if the bargaining parties fail to agree to
contribution increases, such changes shall take effect not later than the first day of the first plan year beginning after the third anniversary of the date of adoption of the realignment program.

“(D) Revocation of Certain Benefit Modifications.—Benefit modifications described in subparagraph (C) may be revoked, in whole or in part, and retroactively or prospectively, when contributions to the plan are increased, as specified in the realignment program, including any amendments thereto. The preceding sentence shall not apply unless the contribution increases are to be effective not later than the fifth anniversary of the first day of the first plan year that begins after the adoption of the realignment program.

“(b) Notice.—

“(1) In general.—In any case in which it is certified under section 802(a) that the projected funded ratio is less than 120 percent, the plan sponsor shall, not later than 30 days after the date of the certification, provide notification of the current and projected funded ratios to the participants and
beneficiaries, the bargaining parties, and the Secretary. Such notice shall include—

“(A) an explanation that contribution rate increases or benefit reductions may be necessary;

“(B) a description of the types of benefits that might be reduced; and

“(C) an estimate of the contribution increases and benefit reductions that may be necessary to achieve a projected funded ratio of 120 percent.

“(2) Notice of Benefit Modifications.—

“(A) In General.—No modifications may be made that reduce the rate of future benefit accrual or that reduce core benefits or adjustable benefits unless notice of such reduction has been given at least 180 days before the general effective date of such reduction for all participants and beneficiaries to—

“(i) plan participants and beneficiaries;

“(ii) each employer who has an obligation to contribute to the composite plan; and
“(iii) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such employers.

“(B) CONTENT OF NOTICE.—The notice under subparagraph (A) shall contain—

“(i) sufficient information to enable participants and beneficiaries to understand the effect of any reduction on their benefits, including an illustration of any affected benefit or subsidy, on an annual or monthly basis that a participant or beneficiary would otherwise have been eligible for as of the general effective date described in subparagraph (A); and

“(ii) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance, where appropriate.

“(C) FORM AND MANNER.—Any notice under subparagraph (A)—

“(i) shall be provided in a form and manner prescribed in regulations of the Secretary of Labor;
“(ii) shall be written in a manner so as to be understood by the average plan participant.

“(3) MODEL NOTICES.—The Secretary shall—

“(A) prescribe model notices that the plan sponsor of a composite plan may use to satisfy the notice requirements under this subsection; and

“(B) by regulation enumerate any details related to the elements listed in paragraph (1) that any notice under this subsection must include.

“(4) DELIVERY METHOD.—Any notice under this part shall be provided in writing and may also be provided in electronic form to the extent that the form is reasonably accessible to persons to whom the notice is provided.

“SEC. 804. LIMITATION ON INCREASING BENEFITS.

“(a) LEVEL OF CURRENT FUNDED RATIOS.—Except as provided in subsections (c), (d), and (e), no plan amendment increasing benefits or establishing new benefits under a composite plan may be adopted for a plan year unless—
“(1) the plan’s current funded ratio is at least 110 percent (without regard to the benefit increase or new benefits);

“(2) taking the benefit increase or new benefits into account, the current funded ratio is at least 100 percent and the projected funded ratio for the current plan year is at least 120 percent;

“(3) in any case in which, after taking the benefit increase or new benefits into account, the current funded ratio is less than 140 percent and the projected funded ratio is less than 140 percent, the benefit increase or new benefits are projected by the plan actuary to increase the present value of the plan’s liabilities for the plan year by not more than 3 percent; and

“(4) expected contributions for the current plan year are at least 120 percent of normal cost for the plan year, determined using the unit credit funding method and treating the benefit increase or new benefits as in effect for the entire plan year.

“(b) ADDITIONAL REQUIREMENTS WHERE CORE BENEFITS REDUCED.—If a plan has been amended to reduce core benefits pursuant to a realignment program under section 803(a)(2)(D), such plan may not be subse-
quently amended to increase core benefits unless the amendment—

“(1) increases the level of future benefit payments only; and

“(2) provides for an equitable distribution of benefit increases across the participant and beneficiary population, taking into account the extent to which the benefits of participants were previously reduced pursuant to such realignment program.

“(c) EXCEPTION TO COMPLY WITH APPLICABLE LAW.—Subsection (a) shall not apply in connection with a plan amendment if the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986 or to comply with other applicable law.

“(d) EXCEPTION WHERE MAXIMUM DEDUCTIBLE LIMIT APPLIES.—Subsection (a) shall not apply in connection with a plan amendment if and to the extent that contributions to the composite plan would not be deductible for the plan year under section 404(a)(1)(E) of the Internal Revenue Code of 1986 if the plan amendment is not adopted.

“(e) EXCEPTION FOR CERTAIN BENEFIT MODIFICATIONS.—Subsection (a) shall not apply in connection with
a plan amendment under section 803(a)(5)(C), regarding conditional benefit modifications.

“(f) TREATMENT OF PLAN AMENDMENTS.—For purposes of this section—

“(1) if two or more plan amendments increasing benefits or establishing new benefits are adopted in a plan year, such amendments shall be treated as a single amendment adopted on the last day of the plan year;

“(2) all benefit increases and new benefits adopted in a single amendment are treated as a single benefit increase, irrespective of whether the increases and new benefits take effect in more than one plan year; and

“(3) increases in contributions or decreases in plan liabilities which are scheduled to take effect in future plan years may be taken into account in connection with a plan amendment if they have been agreed to in writing or otherwise formalized by the date the plan amendment is adopted.

“SEC. 805. COMPOSITE PLAN RESTRICTIONS TO PRESERVE LEGACY PLAN FUNDING.

“(a) TREATMENT AS A LEGACY PLAN.—

“(1) IN GENERAL.—For purposes of this part and parts 2 and 3, a defined benefit plan shall be
treated as a legacy plan with respect to the composite plan under which the employees who were eligible to accrue a benefit under the defined benefit plan become eligible to accrue a benefit under such composite plan.

“(2) COMPONENT PLANS.—In any case in which a defined benefit plan is amended to add a composite plan component pursuant to section 801(b), paragraph (1) shall be applied by substituting ‘defined benefit component’ for ‘defined benefit plan’ and ‘composite plan component’ for ‘composite plan’.

“(3) ELIGIBLE TO ACCRUE A BENEFIT.—For purposes of paragraph (1), an employee is considered eligible to accrue a benefit under a composite plan as of the first day in which the employee completes an hour of service under a collective bargaining agreement that provides for contributions to and accruals under the composite plan in lieu of accruals under the legacy plan.

“(4) COLLECTIVE BARGAINING AGREEMENT.—As used in this part, the term ‘collective bargaining agreement’ includes any agreement under which an employer has an obligation to contribute to a plan.
“(5) OTHER TERMS.—Any term used in this part which is not defined in this part and which is also used in section 305 shall have the same meaning provided such term in such section.

“(b) RESTRICTIONS ON ACCEPTANCE BY COMPOSITE PLAN OF AGREEMENTS AND CONTRIBUTIONS.—

“(1) IN GENERAL.—The plan sponsor of a composite plan shall not accept or recognize a collective bargaining agreement (or any modification to such agreement), and no contributions may be accepted and no benefits may be accrued or otherwise earned under the agreement—

“(A) in any case in which the plan actuary of any defined benefit plan that would be treated as a legacy plan with respect to such composite plan has certified under section 305(b)(3) that such defined benefit plan is or will be in critical status for the plan year in which such agreement would take effect or for any of the succeeding 5 plan years; and

“(B) unless the agreement requires each employer who is a party to such agreement, including employers whose employees are not participants in the legacy plan, to provide contributions to the legacy plan with respect to such
composite plan in a manner that satisfies the transition contribution requirements of subsection (d).

“(2) NOTICE.—Not later than 30 days after a determination by a plan sponsor of a composite plan that an agreement fails to satisfy the requirements described in paragraph (1), the plan sponsor shall provide notification of such failure and the reasons for such determination—

“(A) to the parties to the agreement;

“(B) to active participants of the composite plan who have ceased to accrue or otherwise earn benefits with respect to service with an employer pursuant to paragraph (1); and

“(C) to the Secretary, the Secretary of the Treasury, and the Pension Benefit Guaranty Corporation.

“(3) LIMITATION ON RETROACTIVE EFFECT.—This subsection shall not apply to benefits accrued before the date on which notice is provided under paragraph (2).

“(c) RESTRICTION ON ACCRUAL OF BENEFITS UNDER A COMPOSITE PLAN.—

“(1) IN GENERAL.—In any case in which an employer, under a collective bargaining agreement
entered into after the date of enactment of the Giving Retirement Options to Workers Act of 2020, ceases to have an obligation to contribute to a multi-employer defined benefit plan, no employees employed by the employer may accrue or otherwise earn benefits under any composite plan, with respect to service with that employer, for a 60-month period beginning on the date on which the employer entered into such collective bargaining agreement.

“(2) NOTICE OF CESSION OF OBLIGATION.—

Within 30 days of determining that an employer has ceased to have an obligation to contribute to a legacy plan with respect to employees employed by an employer that is or will be contributing to a composite plan with respect to service of such employees, the plan sponsor of the legacy plan shall notify the plan sponsor of the composite plan of that cessation.

“(3) NOTICE OF CESSION OF ACCRUALS.—

Not later than 30 days after determining that an employer has ceased to have an obligation to contribute to a legacy plan, the plan sponsor of the composite plan shall notify the bargaining parties, the active participants affected by the cessation of accruals, the Secretary, the Secretary of the Treasury, and the Pension Benefit Guaranty Corporation
of the cessation of accruals, the period during which such cessation is in effect, and the reasons therefor.

“(4) LIMITATION ON RETROACTIVE EFFECT.—
This subsection shall not apply to benefits accrued before the date on which notice is provided under paragraph (3).

“(d) TRANSITION CONTRIBUTION REQUIREMENTS.—
“(1) IN GENERAL.—A collective bargaining agreement satisfies the transition contribution requirements of this subsection if the agreement—

“(A) authorizes payment of contributions to a legacy plan at a rate or rates equal to or greater than the transition contribution rate established by the legacy plan under paragraph (2); and

“(B) does not provide for—

“(i) a suspension of contributions to the legacy plan with respect to any period of service; or

“(ii) any new direct or indirect exclusion of younger or newly hired employees of the employer from being taken into account in determining contributions owed to the legacy plan.

“(2) TRANSITION CONTRIBUTION RATE.—
“(A) IN GENERAL.—The transition contribution rate for a plan year is the contribution rate that, as certified by the actuary of the legacy plan in accordance with the principles in section 305(b)(3)(B), is reasonably expected to be adequate—

“(i) to fund the normal cost for the plan year;

“(ii) to amortize the plan’s unfunded liabilities in level annual installments over 25 years, beginning with the plan year in which the transition contribution rate is first established; and

“(iii) to amortize any subsequent changes in the legacy plan’s unfunded liability due to experience gains or losses (including investment gains or losses, gains or losses due to contributions greater or less than the contributions made under the prior transition contribution rate, and other actuarial gains or losses), changes in actuarial assumptions, changes to the legacy plan’s benefits, or changes in funding method over a period of 15 plan years be-
ginning with the plan year in which such
change in unfunded liability is incurred.

The transition contribution rate for any plan
year may not be less than the transition con-
tribution rate for the plan year in which such
rate is first established.

“(B) MULTIPLE RATES.—If different rates
of contribution are payable to the legacy plan
by different employers or for different classes of
employees, the certification shall specify a tran-
sition contribution rate for each such employer.

“(C) RATE APPLICABLE TO EMPLOYER.—
“(i) IN GENERAL.—Except as pro-
vided by clause (ii), the transition con-
tribution rate applicable to an employer for
a plan year is the rate in effect for the
plan year of the legacy plan that com-
mences on or after 180 days before the
earlier of—

“(I) the effective date of the col-
lective bargaining agreement pursuant
to which the employer contributes to
the legacy plan; or

“(II) 5 years after the last plan
year for which the transition contribu-
tion rate applicable to the employer
was established or updated.

“(ii) Exception.—The transition
contribution rate applicable to an employer
for the first plan year beginning on or
after the commencement of the employer’s
obligation to contribute to the composite
plan is the rate in effect for the plan year
of the legacy plan that commences on or
after 180 days before such first plan year.

“(D) Effect of Legacy Plan Financial
Circumstances.—If the plan actuary of the
legacy plan has certified under section 305 that
the plan is in endangered or critical status for
a plan year, the transition contribution rate for
the following plan year is the rate determined
with respect to the employer under the legacy
plan’s funding improvement or rehabilitation
plan under section 305, if greater than the rate
otherwise determined, but in no event greater
than 75 percent of the sum of the contribution
rates applicable to the legacy plan and the com-
posite plan for the plan year.

“(E) Other Actuarial Assumptions
and Methods.—Except as provided in sub-
paragraph (A), the determination of the transition contribution rate for a plan year shall be based on actuarial assumptions and methods consistent with the minimum funding determinations made under section 304 (or, if applicable, section 305) with respect to the legacy plan for the plan year.

“(F) Adjustments in rate.—The plan sponsor of a legacy plan from time to time may adjust the transition contribution rate or rates applicable to an employer under this paragraph by increasing some rates and decreasing others if the actuary certifies that such adjusted rates in combination will produce projected contribution income for the plan year beginning on or after the date of certification that is not less than would be produced by the transition contribution rates in effect at the time of the certification.

“(G) Notice of transition contribution rate.—The plan sponsor of a legacy plan shall provide notice to the parties to collective bargaining agreements pursuant to which contributions are made to the legacy plan of changes to the transition contribution rate re-
quirements at least 30 days before the begin-
ning of the plan year for which the rate is effec-
tive.

“(H) NOTICE TO COMPOSITE PLAN SPON-
sor.—Not later than 30 days after a deter-
mination by the plan sponsor of a legacy plan
that a collective bargaining agreement provides
for a rate of contributions that is below the
transition contribution rate applicable to one or
more employers that are parties to the collective
bargaining agreement, the plan sponsor of the
legacy plan shall notify the plan sponsor of any
composite plan under which employees of such
employer would otherwise be eligible to accrue
a benefit.

“(3) CORRECTION PROCEDURES.—Pursuant to
standards prescribed by the Secretary, the plan
sponsor of a composite plan shall adopt rules and
procedures that give the parties to the collective bar-
gaining agreement notice of the failure of such
agreement to satisfy the transition contribution re-
quirements of this subsection, and a reasonable op-
portunity to correct such failure, not to exceed 180
days from the date of notice given under subsection
(b)(2).
“(4) Supplemental contributions.—A collective bargaining agreement may provide for supplemental contributions to the legacy plan for a plan year in excess of the transition contribution rate determined under paragraph (2), regardless of whether the legacy plan is in endangered or critical status for such plan year.

“(e) Nonapplication of composite plan restrictions.—

“(1) In general.—The provisions of subsections (a), (b), and (c) shall not apply with respect to a collective bargaining agreement, to the extent the agreement, or a predecessor agreement, provides or provided for contributions to a defined benefit plan that is a legacy plan, as of the first day of the first plan year following a plan year for which the plan actuary certifies that the plan is fully funded, has been fully funded for at least three out of the immediately preceding 5 plan years, and is projected to remain fully funded for at least the following 4 plan years.

“(2) Determination of fully funded.—A plan is fully funded for purposes of paragraph (1) if, as of the valuation date of the plan for a plan year, the value of the plan’s assets equals or exceeds
the present value of the plan’s liabilities, determined
in accordance with the rules prescribed by the Pen-
sion Benefit Guaranty Corporation under sections
4219(c)(1)(D) and 4281 for multiemployer plans
terminating by mass withdrawal, as in effect for the
date of the determination, except the plan’s reason-
able assumption regarding the starting date of bene-
fits may be used.

“(3) OTHER APPLICABLE RULES.—Except as
provided in paragraph (2), actuarial determinations
and projections under this section shall be based on
the rules in section 305(b)(3) and section 802(b).

“SEC. 806. MERGERS AND ASSET TRANSFERS OF COM-
POSITE PLANS.

“(a) IN GENERAL.—Assets and liabilities of a com-
posite plan may only be merged with, or transferred to,
another plan if—

“(1) the other plan is a composite plan;

“(2) the plan or plans resulting from the merg-
er or transfer is a composite plan;

“(3) no participant’s accrued benefit or adjust-
able benefit is lower immediately after the trans-
action than it was immediately before the trans-
action; and
“(4) the value of the assets transferred in the case of a transfer reasonably reflects the value of the amounts contributed with respect to the participants whose benefits are being transferred, adjusted for allocable distributions, investment gains and losses, and administrative expenses.

“(b) LEGACY PLAN.—

“(1) IN GENERAL.—After a merger or transfer involving a composite plan, the legacy plan with respect to an employer that is obligated to contribute to the resulting composite plan is the legacy plan that applied to that employer immediately before the merger or transfer.

“(2) MULTIPLE LEGACY PLANS.—If an employer is obligated to contribute to more than one legacy plan with respect to employees eligible to accrue benefits under more than one composite plan and there is a merger or transfer of such legacy plans, the transition contribution rate applicable to the legacy plan resulting from the merger or transfer with respect to that employer shall be determined in accordance with the provisions of section 805(d)(2)(B).”.

(2) PENALTIES.—
(A) **Civil enforcement of failure to comply with realignment program.**—Section 502(a) of such Act (29 U.S.C. 1132(a)) is amended—

(i) in paragraph (10), by striking “or” at the end;

(ii) in paragraph (11), by striking the period at the end and inserting “; or”; and

(iii) by adding at the end the following:

“(12) in the case of a composite plan required to adopt a realignment program under section 803, if the plan sponsor—

“(A) has not adopted a realignment program under that section by the deadline established in such section; or

“(B) fails to update or comply with the terms of the realignment program in accordance with the requirements of such section,

by the Secretary, by an employer that has an obligation to contribute with respect to the composite plan, or by an employee organization that represents active participants in the composite plan, for an order compelling the plan sponsor to adopt a realignment program, or to update or comply with the terms of
the realignment program, in accordance with the requirements of such section and the realignment program.”.

(B) CIVIL PENALTIES.—Section 502(c) of such Act (29 U.S.C. 1132(c)) is amended—

(i) by moving paragraphs (8), (10), and (12) each 2 ems to the left;

(ii) by redesignating paragraphs (9) through (12) as paragraphs (12) through (15), respectively; and

(iii) by inserting after paragraph (8) the following:

“(9) The Secretary may assess against any plan sponsor of a composite plan a civil penalty of not more than $1,100 per day for each violation by such sponsor—

“(A) of the requirement under section 802(a) on the plan actuary to certify the plan’s current or projected funded ratio by the date specified in such subsection; or

“(B) of the requirement under section 803 to adopt a realignment program by the deadline established in that section and to comply with its terms.
“(10)(A) The Secretary may assess against any plan sponsor of a composite plan a civil penalty of not more than $100 per day for each violation by such sponsor of the requirement under section 803(b) to provide notice as described in such section, except that no penalty may be assessed in any case in which the plan sponsor exercised reasonable diligence to meet the requirements of such section and—

“(i) the plan sponsor did not know that the violation existed; or

“(ii) the plan sponsor provided such notice during the 30-day period beginning on the first date on which the plan sponsor knew, or in exercising reasonable due diligence should have known, that such violation existed.

“(B) In any case in which the plan sponsor exercised reasonable diligence to meet the requirements of section 803(b)—

“(i) the total penalty assessed under this paragraph against such sponsor for a plan year may not exceed $500,000; and

“(ii) the Secretary may waive part or all of such penalty to the extent that the payment of
such penalty would be excessive or otherwise in-equitable relative to the violation involved.

“(11) The Secretary may assess against any plan sponsor of a composite plan a civil penalty of not more than $100 per day for each violation by such sponsor of the notice requirements under sections 801(b)(5) and 805(b)(2).”.

(3) CONFORMING AMENDMENT.—The table of contents in section 1 of such Act (29 U.S.C. 1001 note) is amended by inserting after the item relating to section 734 the following:

“PART 8—COMPOSITE PLANS AND LEGACY PLANS

Sec. 801. Composite plan defined.
Sec. 802. Funded ratios; actuarial assumptions.
Sec. 803. Realignment program.
Sec. 804. Limitation on increasing benefits.
Sec. 805. Composite plan restrictions to preserve legacy plan funding.
Sec. 806. Mergers and asset transfers of composite plans.”.

(b) AMENDMENT TO THE INTERNAL REVENUE CODE OF 1986.—

(1) IN GENERAL.—Part III of subchapter D of chapter 1 of the Internal Revenue Code of 1986 is amended by adding at the end the following:

“Subpart C—Composite Plans and Legacy Plans

Sec. 437. Composite plan defined.
Sec. 438. Funded ratios; actuarial assumptions.
Sec. 439. Realignment program.
Sec. 440. Limitation on increasing benefits.
Sec. 440A. Composite plan restrictions to preserve legacy plan funding.
Sec. 440B. Mergers and asset transfers of composite plans.
Sec. 437. Composite plan defined.

(a) In general.—For purposes of this title, the term ‘composite plan’ means a pension plan—

(1) which is a multiemployer plan that is neither a defined benefit plan nor a defined contribution plan,

(2) the terms of which provide that the plan is a composite plan for purposes of this title with respect to which not more than one multiemployer defined benefit plan is treated as a legacy plan within the meaning of section 440A, unless there is more than one legacy plan following a merger of composite plans under section 440B,

(3) which provides systematically for the payment of benefits—

(A) objectively calculated pursuant to a formula enumerated in the plan document with respect to plan participants after retirement, for life, and

(B) in the form of life annuities, except for benefits which under section 411(a)(11) may be immediately distributed without the consent of the participant,

(4) for which the plan contributions for the first plan year are at least 120 percent of the normal cost for the plan year,
“(5) which requires—

“(A) an annual valuation of the liability of the plan as of a date within the plan year to which the valuation refers or within one month prior to the beginning of such year,

“(B) an annual actuarial determination of the plan’s current funded ratio and projected funded ratio under section 438(a),

“(C) corrective action through a realignment program pursuant to section 439 whenever the plan’s projected funded ratio is below 120 percent for the plan year, and

“(D) an annual notification to each participant describing the participant’s benefits under the plan and explaining that such benefits may be subject to reduction under a realignment program pursuant to section 439 based on the plan’s funded status in future plan years, and

“(6) the board of trustees of which includes at least one retiree or beneficiary in pay status during each plan year following the first plan year in which at least 5 percent of the participants in the plan are retirees or beneficiaries in pay status.

“(b) TRANSITION FROM A MULTIEmployER DEFINED BENEFIT PLAN.—
“(1) IN GENERAL.—The plan sponsor of a defined benefit plan that is a multiemployer plan may, subject to paragraph (2), amend the plan to incorporate the features of a composite plan as a component of the multiemployer plan separate from the defined benefit plan component, except in the case of a defined benefit plan for which the plan actuary has certified under section 432(b)(3) that the plan is or will be in critical status for the plan year in which such amendment would become effective or for any of the succeeding 5 plan years.

“(2) REQUIREMENTS.—Any amendment pursuant to paragraph (1) to incorporate the features of a composite plan as a component of a multiemployer plan shall—

“(A) apply with respect to all collective bargaining agreements providing for contributions to the multiemployer plan on or after the effective date of the amendment,

“(B) apply with respect to all participants in the multiemployer plan for whom contributions are made to the multiemployer plan on or after the effective date of the amendment,

“(C) specify that the effective date of the amendment is—
“(i) the first day of a specified plan year following the date of the adoption of the amendment, except that the plan sponsor may alternatively provide for a separate effective date with respect to each collective bargaining agreement under which contributions to the multiemployer plan are required, which shall occur on the first day of the first plan year beginning after the termination, or if earlier, the re-opening, of each such agreement, or such earlier date as the parties to the agreement and the plan sponsor of the multiemployer plan shall agree to, and

“(ii) not later than the first day of the fifth plan year beginning on or after the date of the adoption of the amendment,

“(D) specify that, as of the amendment’s effective date, no further benefits shall accrue under the defined benefit component of the multiemployer plan, and

“(E) specify that, as of the amendment’s effective date, the plan sponsor of the multiemployer plan shall be the plan sponsor of both
the composite plan component and the defined
benefit plan component of the plan.

“(3) SPECIAL RULES.—If a multiemployer plan
is amended pursuant to paragraph (1)—

“(A) the requirements of this title shall be
applied to the composite plan component and
the defined benefit plan component of the mul-
tiemployer plan as if each such component were
maintained as a separate plan, and

“(B) the assets of the composite plan com-
ponent and the defined benefit plan component
of the plan shall be held in a single trust form-
ing part of the plan under which the trust in-
strument expressly provides—

“(i) for separate accounts (and appro-
priate records) to be maintained to reflect
the interest which each of the plan compo-
nents has in the trust, including separate
accounting for additions to the trust for
the benefit of each plan component, dis-
bursements made from each plan compo-
nent’s account in the trust, investment ex-
perience of the trust allocable to that ac-
count, and administrative expenses (wheth-
er direct expenses or shared expenses allo-
cated proportionally), and permits, but
does not require, the pooling of some or all
of the assets of the two plan components
for investment purposes, and

“(ii) that the assets of each of the two
plan components shall be held, invested,
reinvested, managed, administered and dis-
tributed for the exclusive benefit of the
participants and beneficiaries of each such
plan component, and in no event shall the
assets of one of the plan components be
available to pay benefits due under the
other plan component.

“(4) NOT A TERMINATION EVENT.—Notwith-
standing section 4041A of the Employee Retirement
Income Security Act of 1974, an amendment pursu-
ant to paragraph (1) to incorporate the features of
a composite plan as a component of a multiemployer
plan does not constitute termination of the multiem-
ployer plan.

“(5) NOTICE TO THE SECRETARY.—

“(A) NOTICE.—The plan sponsor of a
composite plan shall provide notice to the Sec-
retary of the intent to establish the composite
plan (or, in the case of a composite plan incor-
porated as a component of a multiemployer plan as described in paragraph (1), the intent to amend the multiemployer plan to incorporate such composite plan) at least 30 days prior to the effective date of such establishment or amendment.

“(B) CERTIFICATION.—In the case of a composite plan incorporated as a component of a multiemployer plan as described in paragraph (1), such notice shall include a certification by the plan actuary under section 432(b)(3) that the effective date of the amendment occurs in a plan year for which the multiemployer plan is not in critical status for that plan year and any of the succeeding 5 plan years.

“(6) REFERENCES TO COMPOSITE PLAN COMPONENT.—As used in this subpart, the term ‘composite plan’ includes a composite plan component added to a defined benefit plan pursuant to paragraph (1).

“(7) RULE OF CONSTRUCTION.—Paragraph (2)(A) shall not be construed as preventing the plan sponsor of a multiemployer plan from adopting an amendment pursuant to paragraph (1) because some collective bargaining agreements are amended to
cease any covered employer’s obligation to contribute to the multiemployer plan before or after the plan amendment is effective. Paragraph (2)(B) shall not be construed as preventing the plan sponsor of a multiemployer plan from adopting an amendment pursuant to paragraph (1) because some participants cease to have contributions made to the multiemployer plan on their behalf before or after the plan amendment is effective.

“(c) COORDINATION WITH FUNDING RULES.—Except as otherwise provided in this title, sections 412, 431, and 432 shall not apply to a composite plan.

“(d) TREATMENT OF A COMPOSITE PLAN.—For purposes of this title (other than sections 412 and 418E), a composite plan shall be treated as if it were a defined benefit plan unless a different treatment is provided for under applicable law.

“SEC. 438. FUNDED RATIOS; ACTUARIAL ASSUMPTIONS.

“(a) CERTIFICATION OF FUNDED RATIOS.—

“(1) IN GENERAL.—Not later than the one-hundred twentieth day of each plan year of a composite plan, the plan actuary of the composite plan shall certify to the Secretary, the Secretary of Labor, and the plan sponsor the plan’s current fund-
(2) Determination of current funded ratio and projected funded ratio.—For purposes of this section—

(A) Current funded ratio.—The current funded ratio is the ratio (expressed as a percentage) of—

(i) the value of the plan’s assets as of the first day of the plan year, to

(ii) the plan actuary’s best estimate of the present value of the plan liabilities as of the first day of the plan year.

(B) Projected funded ratio.—The projected funded ratio is the current funded ratio projected to the first day of the fifteenth plan year following the plan year for which the determination is being made.

(3) Consideration of contribution rate increases.—For purposes of projections under this subsection, the plan sponsor may anticipate contribution rate increases beyond the term of the current collective bargaining agreement and any agreed-to supplements, up to a maximum of 2.5 percent per year, compounded annually, unless it would be un-
reasonable under the circumstances to assume that contributions would increase by that amount.

“(b) Actuarial Assumptions and Methods.—

For purposes of this part—

“(1) In General.—All costs, liabilities, rates of interest, and other factors under the plan shall be determined for a plan year on the basis of actuarial assumptions and methods—

“(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations),

“(B) which, in combination, offer the actuary’s best estimate of anticipated experience under the plan, and

“(C) with respect to which any change from the actuarial assumptions and methods used in the previous plan year shall be certified by the plan actuary and the actuarial rationale for such change provided in the annual report required by section 6058.

“(2) Fair Market Value of Assets.—The value of the plan’s assets shall be taken into account on the basis of their fair market value.

“(3) Determination of Normal Cost and Plan Liabilities.—A plan’s normal cost and liabil-
ities shall be based on the most recent actuarial valuation required under section 437(a)(5)(A) and the unit credit funding method.

“(4) **Time when certain contributions deemed made.**—Any contributions for a plan year made by an employer after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this paragraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary.

“(5) **Additional actuarial assumptions.**—Except where otherwise provided in this subpart, the provisions of section 432(b)(3)(B) shall apply to any determination or projection under this subpart.

**SEC. 439. REALIGNMENT PROGRAM.**

“(a) **Realignment Program.**—

“(1) **Adoption.**—In any case in which the plan actuary certifies under section 438(a) that the plan’s projected funded ratio is below 120 percent for the plan year, the plan sponsor shall adopt a realignment program under paragraph (2) not later than 210 days after the due date of the certification required under section 438(a). The plan sponsor shall
adopt an updated realignment program for each succeeding plan year for which a certification described in the preceding sentence is made.

“(2) CONTENT OF REALIGNMENT PROGRAM.—

“(A) IN GENERAL.—A realignment program adopted under this paragraph is a written program which consists of all reasonable measures, including options or a range of options to be undertaken by the plan sponsor or proposed to the bargaining parties, formulated, based on reasonably anticipated experience and reasonable actuarial assumptions, to enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year.

“(B) INITIAL PROGRAM ELEMENTS.—Reasonable measures under a realignment program described in subparagraph (A) may include any of the following:

“(i) Proposed contribution increases.

“(ii) A reduction in the rate of future benefit accruals, so long as the resulting rate shall not be less than 1 percent of the contributions on which benefits are based as of the start of the plan year (or the
equivalent standard accrual rate as described in section 432(e)(6)).

“(iii) A modification or elimination of adjustable benefits of participants that are not in pay status before the date of the notice required under subsection (b)(1).

“(iv) Any other legally available measures not specifically described in this subparagraph or subparagraph (C) or (D) that the plan sponsor determines are reasonable.

“(C) ADDITIONAL PROGRAM ELEMENTS.— If the plan sponsor has determined that all reasonable measures available under subparagraph (B) will not enable the plan to achieve a projected funded ratio of at least 120 percent the following plan year, such reasonable measures may also include—

“(i) a reduction of accrued benefits that are not in pay status by the date of the notice required under subsection (b)(1), or

“(ii) a reduction of any benefits of participants that are in pay status before the date of the notice required under sub-
section (b)(1) other than core benefits as
defined in paragraph (4).

“(D) ADDITIONAL REDUCTIONS.—In the
case of a composite plan for which the plan
sponsor has determined that all reasonable
measures available under subparagraphs (B)
and (C) will not enable the plan to achieve a
projected funded ratio of at least 120 percent
for the following plan year, such reasonable
measures may also include—

“(i) a further reduction in the rate of
future benefit accruals without regard to
the limitation applicable under subpara-
graph (B)(ii), or

“(ii) a reduction of core benefits,
provided that such reductions shall be equitably
distributed across the participant and bene-
iciary population, taking into account factors,
with respect to participants and beneficiaries
and their benefits, that may include one or
more of the factors listed in subclauses (I)
through (X) of section 432(e)(9)(D)(vi), to the
extent necessary to enable the plan to achieve
a projected funded ratio of at least 120 percent
for the following plan year, or at the election of
the plan sponsor, a projected funded ratio of at least 100 percent for the following plan year and a current funded ratio of at least 90 percent.

“(3) ADJUSTABLE BENEFIT DEFINED.—For purposes of this subpart, the term ‘adjustable benefit’ means—

“(A) benefits, rights, and features under the plan, including post-retirement death benefits, 60-month guarantees, disability benefits not yet in pay status, and similar benefits,

“(B) any early retirement benefit or retirement-type subsidy (within the meaning of section 411(d)(6)(B)(i)) and any benefit payment option (other than the qualified joint and survivor annuity), and

“(C) benefit increases that were adopted (or, if later, took effect) less than 60 months before the first day such realignment program took effect.

“(4) CORE BENEFIT DEFINED.—For purposes of this subpart, the term ‘core benefit’ means a participant’s accrued benefit payable in the normal form of an annuity commencing at normal retirement age, determined without regard to—
“(A) any early retirement benefits, retirement-type subsidies, or other benefits, rights, or features that may be associated with that benefit, and

“(B) any cost-of-living adjustments or benefit increases effective after the date of retirement.

“(5) COORDINATION WITH CONTRIBUTION INCREASES.—

“(A) IN GENERAL.—A realignment program may provide that some or all of the benefit modifications described in the program will only take effect if the bargaining parties fail to agree to specified levels of increases in contributions to the plan, effective as of specified dates.

“(B) INDEPENDENT BENEFIT MODIFICATIONS.—If a realignment program adopts any changes to the benefit formula that are independent of potential contribution increases, such changes shall take effect not later than 180 days following the first day of the first plan year that begins following the adoption of the realignment program.

“(C) CONDITIONAL BENEFIT MODIFICATIONS.—If a realignment program adopts any
changes to the benefit formula that take effect only if the bargaining parties fail to agree to contribution increases, such changes shall take effect not later than the first day of the first plan year beginning after the third anniversary of the date of adoption of the realignment program.

“(D) Revocation of certain benefit modifications.—Benefit modifications described in paragraph (3) may be revoked, in whole or in part, and retroactively or prospectively, when contributions to the plan are increased, as specified in the realignment program, including any amendments thereto. The preceding sentence shall not apply unless the contribution increases are to be effective not later than the fifth anniversary of the first day of the first plan year that begins after the adoption of the realignment program.

“(b) NOTICE.—

“(1) In general.—In any case in which it is certified under section 438(a) that the projected funded ratio is less than 120 percent, the plan sponsor shall, not later than 30 days after the date of the certification, provide notification of the current
and projected funded ratios to the participants and beneficiaries, the bargaining parties, and the Secretary. Such notice shall include—

“(A) an explanation that contribution rate increases or benefit reductions may be necessary,

“(B) a description of the types of benefits that might be reduced, and

“(C) an estimate of the contribution increases and benefit reductions that may be necessary to achieve a projected funded ratio of 120 percent.

“(2) NOTICE OF BENEFIT MODIFICATIONS.—

“(A) IN GENERAL.—No modifications may be made that reduce the rate of future benefit accrual or that reduce core benefits or adjustable benefits unless notice of such reduction has been given at least 180 days before the general effective date of such reduction for all participants and beneficiaries to—

“(i) plan participants and beneficiaries,

“(ii) each employer who has an obligation to contribute to the composite plan,
“(iii) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such employers.

“(B) CONTENT OF NOTICE.—The notice under subparagraph (A) shall contain—

“(i) sufficient information to enable participants and beneficiaries to understand the effect of any reduction on their benefits, including an illustration of any affected benefit or subsidy, on an annual or monthly basis that a participant or beneficiary would otherwise have been eligible for as of the general effective date described in subparagraph (A), and

“(ii) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance, where appropriate.

“(C) FORM AND MANNER.—Any notice under subparagraph (A)—

“(i) shall be provided in a form and manner prescribed in regulations of the Secretary of Labor,
“(ii) shall be written in a manner so as to be understood by the average plan participant.

“(3) MODEL NOTICES.—The Secretary shall—

“(A) prescribe model notices that the plan sponsor of a composite plan may use to satisfy the notice requirements under this subsection,

and

“(B) by regulation enumerate any details related to the elements listed in paragraph (1) that any notice under this subsection must include.

“(4) DELIVERY METHOD.—Any notice under this part shall be provided in writing and may also be provided in electronic form to the extent that the form is reasonably accessible to persons to whom the notice is provided.

SEC. 440. LIMITATION ON INCREASING BENEFITS.

“(a) LEVEL OF CURRENT FUNDED RATIOS.—Except as provided in subsections (c), (d), and (e), no plan amendment increasing benefits or establishing new benefits under a composite plan may be adopted for a plan year unless—
“(1) the plan’s current funded ratio is at least 110 percent (without regard to the benefit increase or new benefits),

“(2) taking the benefit increase or new benefits into account, the current funded ratio is at least 100 percent and the projected funded ratio for the current plan year is at least 120 percent,

“(3) in any case in which, after taking the benefit increase or new benefits into account, the current funded ratio is less than 140 percent or the projected funded ratio is less than 140 percent, the benefit increase or new benefits are projected by the plan actuary to increase the present value of the plan’s liabilities for the plan year by not more than 3 percent, and

“(4) expected contributions for the current plan year are at least 120 percent of normal cost for the plan year, determined using the unit credit funding method and treating the benefit increase or new benefits as in effect for the entire plan year.

“(b) ADDITIONAL REQUIREMENTS WHERE CORE BENEFITS REDUCED.—If a plan has been amended to reduce core benefits pursuant to a realignment program under section 439(a)(2)(D), such plan may not be subse-
quently amended to increase core benefits unless the amendment—

“(1) increases the level of future benefit payments only, and

“(2) provides for an equitable distribution of benefit increases across the participant and beneficiary population, taking into account the extent to which the benefits of participants were previously reduced pursuant to such realignment program.

“(c) EXCEPTION TO COMPLY WITH APPLICABLE LAW.—Subsection (a) shall not apply in connection with a plan amendment if the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 or to comply with other applicable law.

“(d) EXCEPTION WHERE MAXIMUM DEDUCTIBLE LIMIT APPLIES.—Subsection (a) shall not apply in connection with a plan amendment if and to the extent that contributions to the composite plan would not be deductible for the plan year under section 404(a)(1)(E) if the plan amendment is not adopted. The Secretary of the Treasury shall issue regulations to implement this paragraph.

“(e) EXCEPTION FOR CERTAIN BENEFIT MODIFICATIONS.—Subsection (a) shall not apply in connection with
a plan amendment under section 439(a)(5)(C), regarding conditional benefit modifications.

“(f) TREATMENT OF PLAN AMENDMENTS.—For purposes of this section—

“(1) if two or more plan amendments increasing benefits or establishing new benefits are adopted in a plan year, such amendments shall be treated as a single amendment adopted on the last day of the plan year,

“(2) all benefit increases and new benefits adopted in a single amendment are treated as a single benefit increase, irrespective of whether the increases and new benefits take effect in more than one plan year, and

“(3) increases in contributions or decreases in plan liabilities which are scheduled to take effect in future plan years may be taken into account in connection with a plan amendment if they have been agreed to in writing or otherwise formalized by the date the plan amendment is adopted.

“SEC. 440A. COMPOSITE PLAN RESTRICTIONS TO PRE- SERVE LEGACY PLAN FUNDING.

“(a) TREATMENT AS A LEGACY PLAN.—

“(1) IN GENERAL.—For purposes of this subchapter, a defined benefit plan shall be treated as a
legacy plan with respect to the composite plan under which the employees who were eligible to accrue a benefit under the defined benefit plan become eligible to accrue a benefit under such composite plan.

“(2) COMPONENT PLANS.—In any case in which a defined benefit plan is amended to add a composite plan component pursuant to section 437(b), paragraph (1) shall be applied by substituting ‘defined benefit component’ for ‘defined benefit plan’ and ‘composite plan component’ for ‘composite plan’.

“(3) ELIGIBLE TO ACCRUE A BENEFIT.—For purposes of paragraph (1), an employee is considered eligible to accrue a benefit under a composite plan as of the first day in which the employee completes an hour of service under a collective bargaining agreement that provides for contributions to and accruals under the composite plan in lieu of accruals under the legacy plan.

“(4) COLLECTIVE BARGAINING AGREEMENT.—As used in this subpart, the term ‘collective bargaining agreement’ includes any agreement under which an employer has an obligation to contribute to a plan.
“(5) OTHER TERMS.—Any term used in this
subpart which is not defined in this part and which
is also used in section 432 shall have the same
meaning provided such term in such section.

“(b) RESTRICTIONS ON ACCEPTANCE BY COMPOSITE
PLAN OF AGREEMENTS AND CONTRIBUTIONS.—

“(1) IN GENERAL.—The plan sponsor of a com-
oposite plan shall not accept or recognize a collective
bargaining agreement (or any modification to such
agreement), and no contributions may be accepted
and no benefits may be accrued or otherwise earned
under the agreement—

“(A) in any case in which the plan actuary
of any defined benefit plan that would be treat-
ed as a legacy plan with respect to such com-
opposite plan has certified under section
432(b)(3) that such defined benefit plan is or
will be in critical status for the plan year in
which such agreement would take effect or for
any of the succeeding 5 plan years, and

“(B) unless the agreement requires each
employer who is a party to such agreement, in-
cluding employers whose employees are not par-
ticipants in the legacy plan, to provide contribu-
tions to the legacy plan with respect to such
composite plan in a manner that satisfies the transition contribution requirements of subsection (d).

“(2) NOTICE.—Not later than 30 days after a determination by a plan sponsor of a composite plan that an agreement fails to satisfy the requirements described in paragraph (1), the plan sponsor shall provide notification of such failure and the reasons for such determination to—

“(A) the parties to the agreement,

“(B) active participants of the composite plan who have ceased to accrue or otherwise earn benefits with respect to service with an employer pursuant to paragraph (1), and

“(C) the Secretary of Labor, the Secretary of the Treasury, and the Pension Benefit Guaranty Corporation.

“(3) LIMITATION ON RETROACTIVE EFFECT.—This subsection shall not apply to benefits accrued before the date on which notice is provided under paragraph (2).

“(c) RESTRICTION ON ACCRUAL OF BENEFITS UNDER A COMPOSITE PLAN.—

“(1) IN GENERAL.—In any case in which an employer, under a collective bargaining agreement...
entered into after the date of enactment of the Giving Retirement Options to Workers Act of 2020, ceases to have an obligation to contribute to a multi-employer defined benefit plan, no employees employed by the employer may accrue or otherwise earn benefits under any composite plan, with respect to service with that employer, for a 60-month period beginning on the date on which the employer entered into such collective bargaining agreement.

“(2) NOTICE OF CESSION OF OBLIGATION.—

Within 30 days of determining that an employer has ceased to have an obligation to contribute to a legacy plan with respect to employees employed by an employer that is or will be contributing to a composite plan with respect to service of such employees, the plan sponsor of the legacy plan shall notify the plan sponsor of the composite plan of that cessation.

“(3) NOTICE OF CESSION OF ACCRUALS.—

Not later than 30 days after determining that an employer has ceased to have an obligation to contribute to a legacy plan, the plan sponsor of the composite plan shall notify the bargaining parties, the active participants affected by the cessation of accruals, the Secretary, the Secretary of Labor, and the Pension Benefit Guaranty Corporation of the
cessation of accruals, the period during which such cessation is in effect, and the reasons therefor.

“(4) LIMITATION ON RETROACTIVE EFFECT.—This subsection shall not apply to benefits accrued before the date on which notice is provided under paragraph (3).

“(d) TRANSITION CONTRIBUTION REQUIREMENTS.—

“(1) IN GENERAL.—A collective bargaining agreement satisfies the transition contribution requirements of this subsection if the agreement—

“(A) authorizes for payment of contributions to a legacy plan at a rate or rates equal to or greater than the transition contribution rate established under paragraph (2), and

“(B) does not provide for—

“(i) a suspension of contributions to the legacy plan with respect to any period of service, or

“(ii) any new direct or indirect exclusion of younger or newly hired employees of the employer from being taken into account in determining contributions owed to the legacy plan.

“(2) TRANSITION CONTRIBUTION RATE.—
“(A) IN GENERAL.—The transition contribution rate for a plan year is the contribution rate that, as certified by the actuary of the legacy plan in accordance with the principles in section 432(b)(3)(B), is reasonably expected to be adequate—

“(i) to fund the normal cost for the plan year,

“(ii) to amortize the plan’s unfunded liabilities in level annual installments over 25 years, beginning with the plan year in which the transition contribution rate is first established, and

“(iii) to amortize any subsequent changes in the legacy plan’s unfunded liability due to experience gains or losses (including investment gains or losses, gains or losses due to contributions greater or less than the contributions made under the prior transition contribution rate, and other actuarial gains or losses), changes in actuarial assumptions, changes to the legacy plan’s benefits, or changes in funding method over a period of 15 plan years be-
ginning with the plan year in which such change in unfunded liability is incurred.

The transition contribution rate for any plan year may not be less than the transition contribution rate for the plan year in which such rate is first established.

“(B) MULTIPLE RATES.—If different rates of contribution are payable to the legacy plan by different employers or for different classes of employees, the certification shall specify a transition contribution rate for each such employer.

“(C) RATE APPLICABLE TO EMPLOYER.—

“(i) IN GENERAL.—Except as provided by clause (ii), the transition contribution rate applicable to an employer for a plan year is the rate in effect for the plan year of the legacy plan that commences on or after 180 days before the earlier of—

“(I) the effective date of the collective bargaining agreement pursuant to which the employer contributes to the legacy plan, or

“(II) 5 years after the last plan year for which the transition contribu-
tion rate applicable to the employer
was established or updated.

“(ii) EXCEPTION.—The transition
collection rate applicable to an employer
for the first plan year beginning on or
after the commencement of the employer’s
obligation to contribute to the composite
plan is the rate in effect for the plan year
of the legacy plan that commences on or
after 180 days before such first plan year.

“(D) EFFECT OF LEGACY PLAN FINANCIAL
CIRCUMSTANCES.—If the plan actuary of the
legacy plan has certified under section 432 that
the plan is in endangered or critical status for
a plan year, the transition contribution rate for
the following plan year is the rate determined
with respect to the employer under the legacy
plan’s funding improvement or rehabilitation
plan under section 432, if greater than the rate
otherwise determined, but in no event greater
than 75 percent of the sum of the contribution
rates applicable to the legacy plan and the com-
posite plan for the plan year.

“(E) OTHER ACTUARIAL ASSUMPTIONS
AND METHODS.—Except as provided in sub-
paragraph (A), the determination of the transition contribution rate for a plan year shall be based on actuarial assumptions and methods consistent with the minimum funding determinations made under section 431 (or, if applicable, section 432) with respect to the legacy plan for the plan year.

“(F) ADJUSTMENTS IN RATE.—The plan sponsor of a legacy plan from time to time may adjust the transition contribution rate or rates applicable to an employer under this paragraph by increasing some rates and decreasing others if the actuary certifies that such adjusted rates in combination will produce projected contribution income for the plan year beginning on or after the date of certification that is not less than would be produced by the transition contribution rates in effect at the time of the certification.

“(G) NOTICE OF TRANSITION CONTRIBUTION RATE.—The plan sponsor of a legacy plan shall provide notice to the parties to collective bargaining agreements pursuant to which contributions are made to the legacy plan of changes to the transition contribution rate re-
quirements at least 30 days before the begin-
ning of the plan year for which the rate is effec-
tive.

“(H) NOTICE TO COMPOSITE PLAN SPO-
sor.—Not later than 30 days after a deter-
mination by the plan sponsor of a legacy plan
that a collective bargaining agreement provides
for a rate of contributions that is below the
transition contribution rate applicable to one or
more employers that are parties to the collective
bargaining agreement, the plan sponsor of the
legacy plan shall notify the plan sponsor of any
composite plan under which employees of such
employer would otherwise be eligible to accrue
a benefit.

“(3) CORRECTION PROCEDURES.—Pursuant to
standards prescribed by the Secretary of Labor, the
plan sponsor of a composite plan shall adopt rules
and procedures that give the parties to the collective
bargaining agreement notice of the failure of such
agreement to satisfy the transition contribution re-
quirements of this subsection, and a reasonable op-
portunity to correct such failure, not to exceed 180
days from the date of notice given under subsection
(b)(2).
“(4) SUPPLEMENTAL CONTRIBUTIONS.—A collective bargaining agreement may provide for supplemental contributions to the legacy plan for a plan year in excess of the transition contribution rate determined under paragraph (2), regardless of whether the legacy plan is in endangered or critical status for such plan year.

“(e) NONAPPLICATION OF COMPOSITE PLAN RESTRICTIONS.—

“(1) IN GENERAL.—The provisions of subsections (a), (b), and (c) shall not apply with respect to a collective bargaining agreement, to the extent the agreement, or a predecessor agreement, provides or provided for contributions to a defined benefit plan that is a legacy plan, as of the first day of the first plan year following a plan year for which the plan actuary certifies that the plan is fully funded, has been fully funded for at least three out of the immediately preceding 5 plan years, and is projected to remain fully funded for at least the following 4 plan years.

“(2) DETERMINATION OF FULLY FUNDED.—A plan is fully funded for purposes of paragraph (1) if, as of the valuation date of the plan for a plan year, the value of the plan’s assets equals or exceeds
the present value of the plan’s liabilities, determined
in accordance with the rules prescribed by the Pen-
sion Benefit Guaranty Corporation under sections
4219(c)(1)(D) and 4281 of Employee Retirement
Income and Security Act for multiemployer plans
terminating by mass withdrawal, as in effect for the
date of the determination, except the plan’s reason-
able assumption regarding the starting date of bene-
fits may be used.

“(3) Other applicable rules.—Except as
provided in paragraph (2), actuarial determinations
and projections under this section shall be based on
the rules in section 432(b)(3) and section 438(b).

“SEC. 440B. MERGERS AND ASSET TRANSFERS OF COM-
POSITE PLANS.

“(a) In General.—Assets and liabilities of a com-
posite plan may only be merged with, or transferred to,
another plan if—

“(1) the other plan is a composite plan,

“(2) the plan or plans resulting from the merg-
er or transfer is a composite plan,

“(3) no participant’s accrued benefit or adjust-
able benefit is lower immediately after the trans-
action than it was immediately before the trans-
action, and
“(4) the value of the assets transferred in the case of a transfer reasonably reflects the value of the amounts contributed with respect to the participants whose benefits are being transferred, adjusted for allocable distributions, investment gains and losses, and administrative expenses.

“(b) Legacy Plan.—

“(1) In general.—After a merger or transfer involving a composite plan, the legacy plan with respect to an employer that is obligated to contribute to the resulting composite plan is the legacy plan that applied to that employer immediately before the merger or transfer.

“(2) Multiple Legacy Plans.—If an employer is obligated to contribute to more than one legacy plan with respect to employees eligible to accrue benefits under more than one composite plan and there is a merger or transfer of such legacy plans, the transition contribution rate applicable to the legacy plan resulting from the merger or transfer with respect to that employer shall be determined in accordance with the provisions of section 440A(d)(2)(B).”.
