

**America's Transportation Infrastructure Act of 2019
(Highway Title as Introduced in Committee)**

Emergency Relief

- Adds 'wildfire' and 'sea-level rise' to what is considered a national disaster
- Eliminates a provision that restricts the ability to use Emergency Relief funds if a construction phase of a replacement structure is included in the approved Statewide transportation improvement program at the time of an event
- Allows Emergency Relief funds to be used to prevent future damage and other protective measures

[Changes to Section 125 of Title 23](#)
