(Highway Title as Introduced in Committee)**

Section 1404 – Priced Facilities

Section 1404 adds provision that requires future priced facilities on the Interstate system to require HOV-3 for a free or reduce cost

“(10) HIGH OCCUPANCY VEHICLE USE OF CERTAIN TOLL FACILITIES.—Notwithstanding section 102(a), in the case of a toll facility that is on the Interstate System and that is constructed or converted after the date of enactment of the America's Transportation Infrastructure Act of 2019, the public authority with jurisdiction over the toll facility shall allow high occupancy vehicles, transit, and paratransit vehicles to use the facility at a discount rate or without charge, unless the public authority, in consultation with the Secretary, determines that the number of those vehicles using the facility reduces the travel time reliability of the facility.”.
